2. O Lord, You died for our sins.
By Your blood we're cleansed from within.
All of our failures have now been washed away.
O Lord, You're living within
As the power of resurrection.
Conquer our death and our sin. Bring us to life.

3. O Lord, You're speaking today.
Give us ears to hear what You say.
O Lord, from everything else we turn away.
O Lord, our eyes are on You.
Fill our hearts and minds with the truth.
O Lord, our whole life to You we consecrate.
